

Dissertation Training Programme 2019

Indian Institute of Integrative Medicine (IIIM) is a national Institute of the Council of Scientific & Industrial Research (CSIR) of India, with primary focus of research on drug discovery from natural products (medicinal plants and microbial species).

The Technology Business Incubator (TBI) at IIIM, Jammu is a state-of-the-art national facility for manufacturing, herbal drugs, phytopharmaceuticals & traditional medicine under GMP (Good Manufacturing Practices) conditions. The research at TBI focuses on microbial biodiversity leading to the production of novel bioactive compounds for human health and biofertilizers, biocides and gluconates for enhanced agricultural yield. The NABL accredited laboratory conducts quality control and quality assurance of agricultural produce, nutraceuticals, medicinal and aromatic plants and herbal formulations. IIIM-TBI also has a well-equipped GLP in-vivo laboratory (animal facility) to conduct preclinical studies for herbal drugs

Applications are invited for **4-6 month (December 2018/ January 2019 onwards)** Dissertation Training programme from Universities/ Institutions/ Colleges of repute to carry out their projects in TBI-IIIM Jammu.
